Reveal the glow and the beauty
of your skin

MADE IN FRANCE

Beauty starts with the quality of the skin. Years go by, stress, hormonal imbalances and external aggressions such as sun, cold and pollution play a negative role on the quality of the skin. The skin becomes drier, less elastic and, duller and wrinkles appear.

The **skin rejuvenating booster CYTOCARE** is the solution for all ages for the revitalization and hydration of the skin, the prevention and correction of aging effect.

Its exclusive formula combines the quality of our non-crosslinked hyaluronic acid with its REJUVENATING COMPLEX CT50:

- Protects the skin from oxidizing agents,
- Hydrates and replumps the skin,
- Preserves and restores radiance, brightness and youthfulness of the skin,
- Restores suppleness to the skin,
- Reduces and smoothes fine lines and wrinkles.

PROTOCOL: results are visible since the first session (3 treatments with 3 weeks intervals are recommended for an optimal and durable result). 1 session every 3 months is recommended to maintain the results. CYTOCARE ensures the maximum comfort during injection to allow a social life without interruption.

For any question about contraindications, undesirable effects, recommendations and precautions for use, please consult your practitioner.
